

Getting to the site

Walton Firs is situated close to the A3, just outside Cobham

Walton Firs Scout Camp
 Convent Lane
 Cobham
 Surrey
 KT11 1HB

Walton Firs Scout Camp site is near Cobham in Surrey.

It is easy to find, as it is signposted from the junction with the A3. To get there you should take the M25 to Junction 10 and head east up the A3 towards London. At the first exit (Painshill junction/A245) take the third exit off the roundabout heading into Cobham. As you descend towards the bridge over the River Mole you will almost immediately find a turning on your left. This is Convent Lane and is signposted Notre Dame Convent School. If you get to the Sainsbury's roundabout then you have gone too far.

Continue along Convent Lane, under the A3 and then after about 300 metres you will find Walton Firs entrance on your left. The entrance to the campsite is up a short narrow track, which may be busy, especially on Sunday.

For step by step directions we recommend using the AA route planner at www.theaa.com
