

Youlbury Directions

Youlbury International Scout Camp site is near Oxford. Postcode: OX1 5HD

It is easy to find as there are brown "Scout Camp" signs that guide you from the junction of the A34 with the Oxford Ring Road at Hinksey Hill. Turn off at the Hinksey Hill junction (large roundabout above the A34 road) and head for Wootton and Boars Hill on the minor road. Turn right at the first junction towards Boars Hill and the "Scout Camp" is signposted from there. The final mile is along a narrow road with traffic calming humps. Access to various parts of Youlbury Campsite is clearly signposted from the T-junction at the top of the hill.
